Re: *United States v. Bruce Thomas*
Case No.: L-91-0324

Dear Chief Judge Legg:

Pursuant to the procedures set in place for review of cases related to retroactive application of the crack amendment (Amendment No. 706), this Court entered an order appointing my Office to preliminarily review a *pro se* motion for sentence reduction filed by Mr. Thomas.

Upon review of the motion, Mr. Thomas seeks relief under amendment 709 regarding criminal history. He does not seek relief pursuant to the crack amendments. The criminal history change has not been made retroactive.

I am happy to provide the Court with whatever additional assistance it may need in this matter.

Very truly yours,

Denise C. Barrett
Assistant Federal Public Defender
